

Just to let you know...

Dear parents,
We hope the children all enjoyed their move up day on Wednesday. They all came back buzzing with excitement about their new teacher! On Monday the children had a very creative afternoon making ships, treasure chests, maps, writing pirate stories and making puppets. On Wednesday we had to use our teamwork skills to solve a treasure island puzzle. We all had such different ideas about what makes a perfect treasure island. It was tricky to decide which was the most important in our team!

Have a lovely weekend!
Love Hannah, Emily, Misha and Sam x

Phonics

Look in your sound of the week book for your challenge. This week you will need your reading book or a favourite story!

Maths

This week we have been finding the difference between two numbers. We read a pirate word problem and had to work out which numbers we were finding the difference between. We used towers of cubes, number lines and 100 squares to find the difference. Can you find the difference between how old you are and your family members age? i.e. *Hannah is 27 and Bob is 14. How many years older is Hannah? How many more trainers do you have than your friend? How many more Horrid Henry books do you have than your brother?*

Dates for your diary...

Sports Day - Tuesday
9th July @ 9:15

Open Afternoon -
Wednesday 17th July

We had a fab afternoon making pirate dens at the Wild Place!
