

## Happy Half Term!

Go outside and enjoy your garden or the park. Take a kite, a frisbee or a bike and have a nice time in the fresh air! Why don't you help Mum or Dad make the sandwiches for a family picnic—can you make sure there are enough to share them equally?

### Remember ...

**Phonics books** need to be in school every **Thursday** so that the children can have a new spelling list to take home.

If you have any large boxes please start saving them for our **Dinosaur Exhibition**. They can be brought into school from the week beginning **8th June**.

**Art Carousel** — If you have any spare 'dinosaur coloured socks,' we would love to have them to make dinosaur sock puppets ! If you are free on a Monday afternoon to help with a sewing group , we would love to help you.

### Special request !

Please could you email us if you have a **pet** that you would be willing to bring into school on **Friday 5th June** (9am – 10.15 am ). We would be particularly interested in a friendly dog, cat, rabbit , guinea pig, lizard or any other 4 legged animal. *We would need you to stay with your pet please!*

## Dinosaur Writing Corner

Can you make a dinosaur from things you find in the garden? Use sticks for the skeleton, leaves for the scales and stones for the claws and teeth. What else could you use?

Take a photo of it and then write labels to show us all of the parts. You could make the labels using pencils and paper or even try doing it on the computer!

## Maths Corner

Does your child know compass points North, South, East and West? Plan a route together from your house to the shops. See if you can use the compass directions for spotting things of interest en route e.g., post box is 3 paces West of me, the lamp post is 10 paces North.

**Friday 22nd May 2015**
