

Eco Team Meeting Tuesday 17th September 2019

Eco Team Y6

Jools, Elisa, Charlotte, Liam, Yazid, Luella

Eco Team Y5

Lawang, Anthony, Heather, Holly, Kiera, Toby, Lamar

Eco Team Y4

Finley, Cora, Jamie, Isla, Henry, Grace

Eco Team Y3

Luke, Conrad, Adam, Louie, Georgia, Leo

Items discussed:

Big Battery Count

Our bins are already full so we have arranged for a collection. Harry, Elisa, Isla and Liam will count how many batteries we have and make a notice for the Eco Board.

Single Use Plastic

We do not want anyone to use 'single use plastic' and have banned any snack or drink that is not in a reusable container or bottle.

Snack Sale

Eco Team will organise a snack sale at break time. We will sell popcorn in paper bags for 50p. We will buy a 3 kg bag of popcorn and a rota will be set up so that bags of popcorn are ready for the snack sale. Snack sale will start on Monday 23rd September in the Y4 kitchen area. Holly, Grace, Luella and Charlotte will prepare bags for next week.

Class Plant

Eco members will make sure that the class plant is cared for.

Eco responsibilities

Each year group will be responsible for emptying their recycling bins, checking that lights are turned off in empty rooms and making sure the outside doors are closed when the weather is colder.

Eco Rota

Each year group will have a specific responsibility each week and will need to check the Eco Board to find out what they will need to do. Litter pickers, high visibility bibs, bags and plastic gloves will be kept in Alison's room.

Preowned and Proud

The Eco Team will promote our first eco event with their class. Children and staff can wear their own clothes to school on Friday 27th September as long as the items are 'preowned' – charity shops/big brothers and sisters/ cousins/friends/eBay, etc. Eco Team members will choose 2 people from their class who will be part of a 'Fashion Show' during assembly.
