

Eco Team Meeting Tuesday 15th October 2019

Eco Team discussed:

Snack sale

They need to remind children to line up sensibly if they want to buy popcorn.

Big Battery count

We have already recycled 1623 batteries, which have been collected. We are still recycling and have asked for more boxes for Pewley.

Eco Responsibilities

Year groups were reminded to check the rota as there has not been very much litter picking or tidying up in the playground.

Preowned and Proud Day

This was a huge success with nearly everyone in the whole school wearing something preowned.

Y4 Pen recycling

Y4 will organise boxes for each class/year group so that everyone can recycle their pens. Y4 will be responsible for checking the boxes.

Eco Suggestions

A box for sensible eco suggestions will be put on the board.

School newspaper

Y6 will find out who is running the school newspaper so that we can include an eco-section each time it is published. School newspaper to be published online to save paper.

Environmental curriculum link

Y4 and Y5 will check with their teachers to find out their curriculum link.

Y3 link is endangered animals and the children raised £100 for WWF on 'Wear it Wild Day'.

Y6 have studied habitats. They are having an open afternoon on Thursday 17th Oct to share their work. They thought about asking visitors to make a small donation or holding a raffle to raise funds for an environmental charity.

Christmas Fair

The children will organise a 'Lucky Dip' for new unwanted stationery. They will collect items in their year groups.

Each year group to organise a recycled/upcycled project to make items to sell at the Christmas fair.

Everyone who comes to the Christmas Fair should be reminded to bring a reusable bag and to take his or her litter home.

Book Swap and Toy Swap

Each year group will organise a 'swap' in their year group before Christmas.

Litter in the community

Eco team to organise a litter pick in the community – Pewley Downs, outside of school

Jazz up your Jumper

Whole school 'Jazz up your Jumper' morning before we have our Christmas Lunch. Children to bring in an old jumper and upcycle it with bauble, tinsel, trimmings, etc.

Christmas gift swap

Children to wrap up a pre-owned and pre-read book as part of a gift exchange. Children will write a mini blurb to explain what type of book/who it would appeal to. These would be a surprise swap.
