Group Room Year 4

No new spellings this week. There will be a test with all the sounds covered this term, after half term.

Year 4 had an exciting ice egg experience in the nature area. We found as many adjectives and similes as we could to describe the ice eggs they had discovered. They all devised an exciting opening sentence for their Ice Egg Mystery. The group continued with their story remembering to use adjectives, similes, connectives and exciting verbs.

children should know which colour reading book they are on and how to change them. Please read with them as much as possible.
