

Just to let you know...

Phonics

Next week Willow class is learning the sounds oo, oo, x, y.

Hazel class is learning w, ng, v.

Do keep practising at home-especially the 2 letter sounds as these are tricky.

Reception

Maths

Next week we are going to be problem solving with numbers up to 10.

How can 1 banana be shared amongst 10 children?
How can we make sure the teddies have the same number of things for their tea party?

Hazel & Willow

We have had a super Fluffy Friday making Christmas decorations for the school in our house teams. We're looking forward to meeting Graham and his animals this Thursday!

Parents' Evening

It was lovely to see you all at Parents' Evening this week. It has been such a busy term and it was great to have an opportunity to celebrate your children's successes with you.

Please could you save any half size tin cans for us to use for cooking in the next few weeks. Please bring them in and give to your class teacher. Thank you
