

Dear Parents,

What a fantastic variety of habitats and animals we've seen! Well done to all the children for their creative and informative efforts.

In RE we have been discussing the meaning of the Trinity and how God the Father, the Son and the Holy Spirit are distinct persons but come together as one essence. We have had to think very deeply about this and are now certainly ready for our half term break! Have a happy and safe week ☺

English
We have been writing letters this week, both formally and informally, from Stanley to his mum and to the U.S. Department of Health and Human Services... We'll let the children explain ☺

Maths

'Divide and conquer' has been our chant this week. We have revisited division and have been perfecting our *short division* method. We have realised how important our times tables are when it comes to division!

Spellings

We are considering how a word class changes when different suffixes are added. 'Grace' is a noun but becomes an adjective when 'ful' is added, and an adverb when 'fully' is attached.

Harvest Festival

Thank you for all your generous donations.
