

Just to let you know...

In English this week we have been looking at Charlotteville and how it has developed.

Our spelling rule this week was investigating prefixes. The spellings are: inaccurate, incredible, incapable, immature, impossible, impatient, impolite, irregular, irresponsible and irresistible. There will be a little test on Tuesday.

In topic this week we launched our LEAPs; the theme is Guildford and after working in teams to mindmap potential project ideas, the children chose the areas which most interested them. They were then put into small groups to start thinking about: what they would like to find out, how they will find their information, who might be able to help, whether they could do a trip, what their WOW activity would be and finally, how they would present their findings. Topics which the children have chosen include: Guildford Castle, Guildford Cathedral, Lewis Carroll, The Guildhall, The Wey Navigations and Dapdune Wharf, The Lido, The Spike plus many more! Have a chat to your child and see what they have chosen to learn about.

Dear Parents,

Don't forget this Friday (28th June) is INSET day and Monday (1st July) is our Midsummer holiday; we hope you have a lovely long weekend!

Please remember to return theatre slips and money as soon as possible. The trip is on Thursday 4th July and we should be back at school for 4pm.

Love from
Bec, Henry, Alison and Heather

The last group reading session will be:

Thursday 11th July 9.00am

Thank you so much to all the parents who have helped - your continued support has been hugely appreciated!

In maths this week we have been revising using written methods for the four operations (addition, subtraction, division and multiplication). Two good websites for practising bus stop division are:

http://www.bgfl.org/bgfl/custom/resources_ftp/client_ftp/ks2/maths/school_booster/busstopdivision.html

<http://www.bbc.co.uk/skillswise/game/ma12page-game-written-division>

We put these skills to use in asking the children to plan and budget an end of term party, which each class will have during the week beginning 8th July. In small groups, the children had to plan for food, decoration and games for a 45 minute party, with a budget of £1.00 per child. They then had to write a pitch to put forward their ideas and say why they should be the organisers.
